SPD Swiss Precision Diagnostics GmbH (SPD) was formed in 2007 as a joint venture between Inverness Medical Innovations (IMI) and Procter & Gamble (P&G) to create, using its parent companies' complementary strengths, one of the world's foremost organisations in consumer diagnostics.

Brands such as [Clearblue](#)[®] and [PERSONA](#)[®], are familiar in many countries, trusted for their accuracy and simplicity by women keen to know more about their own reproductive health.
